

Notice of Bridge Work – Parma Center Road over Salmon Creek

Monroe County Department of Transportation and their consultant (Barton & Loguidice) have completed the design for **preventive maintenance bridge work**. The contractor for the project is C.P. Ward. The project is scheduled to begin mid-May, 2014. A summary of work to be performed in the Town of Parma is as follows:

Parma Center Road over Salmon Creek:

Preventive maintenance work is scheduled to **begin May 19, 2014**, and the work is expected to take about 4-6 weeks to complete. **The road will be open to traffic.** Traffic will be maintained on site, utilizing flag persons to alternate traffic as needed. Signage will be posted a week in advance of the upcoming work.

The following preventive maintenance treatments are to be performed: replace the joints on both approaches to bridge; repaint fascia bearings and repair concrete pedestals; repair deteriorated concrete deck; clean and seal concrete deck; reset/repair granite curb and concrete curb as needed.
