

**NYSDAM Farmland Protection Implementation Grant  
2017 Genesee Land Trust Information Sessions  
For Farmers and Farmland Owners**

**Tuesday, September 12:** Town of Parma VFW Post 6105, 550 Peck Road, Hilton

**Wednesday, September 20:** Chili Town Hall, 3333 Chili Avenue, Rochester

**Both sessions start at 7:00 PM. Attendance at one of the Informational Sessions is highly recommended for applicants interested in participating in this grant round.** Two information sessions will be held in Wayne County if you are unable to attend.

*New York State Department of Agriculture & Markets Farmland Protection Implementation Grant Round is anticipated in Spring 2018. The Farmland Protection Program protects agricultural land through Conservation Easements with the Purchase of Development Rights (PDR). Conservation Easements allow landowners to prevent productive farmland from being lost to development, receive payment for their land's development value, while still maintaining ownership of their land.*
