

The Board then reviewed SEQR for this site:

Using information from Part 1, the Planning Board answered questions 1 through 11 on Part 2. The Board determined that this proposed site is listed as type II action under the SEQR requirements.

Using the Part 2 tools, the Planning Board determined that there would be no impact to the environmental resources evaluated in Questions 1, 2, 3, 4, 5, 6, 7, 8, 9, 10 and 11. These were all checked as "no or small impact may occur" on Part 2.

As a result of the project design the Planning Board has determined that significant adverse impacts are unlikely to occur and will not require preparation of an environmental impact statement.

Conservation Board:

After their review the Conservation Board recommended that the Planning Board grant a negative declaration for this application.

Mike Reinschmidt made the following motion; that after reviewing the project under the standards set out by Section 617 of the New York State Environmental Quality Review I make a motion to classify this application as a TYPE II action under SEQR. Bob Pelkey seconded the motion. Motion carried unanimously 3-0. (Mark Acker absent)

Bob Pelkey made the following motion; Upon completion of part II of the Short Environmental Assessment Form as set out by 6 NYCRR Part 617, State Environmental Quality Review, the Board has determined that this project will not result in any significant adverse environmental impacts and make a motion to grant a negative declaration for this project. Mike Reinschmidt seconded the motion. Motion carried unanimously 3-0. (Mark Acker absent)
