

WORLD WAR II VETERANS

**WE WANT
to Honor
YOU**

*As members of the greatest generation, our World War II veterans fought to protect and preserve our liberties. We believe these patriots deserve the honor of **visiting their World War II Memorial in Washington, D.C.** This is the mission of Honor Flight Rochester, Inc.*

Since its first flight in 2008, Honor Flight Rochester has taken over 1,200 area veterans to visit their World War II Memorial as well as other memorials in our nation's capital. We want to honor all interested WWII veterans, and we need your help. If you know a relative, friend, or neighbor who should be honored with a trip, please fill out an application today. The two-day trip is free to all veterans, but World War II veterans take precedence. It is a race against the clock to recognize them. Private donations and fundraising events allow Honor Flight Rochester, which is a 501(c)(3) not-for-profit organization, to fund these much-deserved trips for our veterans.

Applications are available online and at all Town Hall locations throughout Monroe County.
