

Braddock Bay Restoration Public Meeting

Website: <http://www.bit.ly/BraddockBay>

**October 22, 2014
6:30 PM - 8:30 PM
Eastman Room
Town of Greece Town Hall
1 Vince Tofany Blvd
Greece, NY 14612**

Purpose: The US Army Corps of Engineers (USACE) in cooperation with USEPA, NYS DEC and the Town of Greece have completed a feasibility study for ecosystem restoration at Braddock Bay. The team will present on results of the feasibility study, the current status of the project, path forward and seek innovative ideas and considerations for inclusion in the design.
