Warning to Skiers/Snowboarders

1. Skiers, snowboarders, and lift passengers are governed by the New York State Safety in Skiing Code, Article 18 of the NYS General Obligations Law. Before affixing your pass or allowing any pass to be affixed to your person, your attention is directed to a posted "Warning to Skiers" that is displayed in the Guest Services Office. The Safety in Skiing Code requires you to seek out, read, and understand the "Warning to Skiers" before you decide to participate in the sport of skiing.
2. Skiing and snowboarding, like many other sports, contains inherent risks, including, but not limited to the risk of personal injury or death or property damage. Therefore, Bristol Mountain takes appropriate measures to protect skiers from undue, unnecessary, and unreasonable hazards, including those created by skier conduct, excesses, and attitudes. Skiers who create such hazards for themselves, or other skiers, can be arrested under Article 18 of the NYS General Obligations Law and may be required to leave the area. They will be denied skiing and snowboarding privileges at Bristol Mountain. In such case, no refund of purchase price for lift ticket or pass will be made.

Assumption Of All Risks Agreement

I, _____, know and understand that alpine, nordic, and freestyle skiing, as well as, snowboarding and other snow activities, including games and competitive events, are activities that involve a significant risk of personal injury, death or property damage. I also know and understand that there are natural and environmental conditions and risks that independently, or in combination with these activities, may cause property damage or severe or even fatal injuries to me or others. I understand that trail conditions vary constantly because of weather changes and skier use, and I also understand that the risks of skiing/riding also include terrain park elements, jumps, slide rails and other man made features, changing weather conditions, bare spots, variations in snow, ice, forest growth, other ground cover, surface and subsurface conditions, and terrain, bumps, moguls, rocks, debris, equipment and machinery on slopes, collisions with other skiers and snowboarders and natural and man made objects, and skier/snowboarder error.

I agree and acknowledge that I have made a voluntary choice to participate in these activities at Bristol Mountain with the risk that they present. In consideration of being permitted to participate in a ski or snowboard instructional program at Bristol Mountain, I agree to ASSUME ANY AND ALL RISK OF INJURY OR DEATH, which might be associated with, or result from, my participation in these activities. I agree to accept all responsibility for the risks, conditions and hazards which may occur whether they now be known or unknown.

I further agree that I will accept and abide by all rules and regulations of Bristol Mountain, as well as all obligations that may be imposed upon by Article 18 of the General Obligations Law or any other law of the State of New York.

I have fully read and understand this Agreement and all of its terms. I understand that this acknowledgement and assumption may affect my legal claims for damages in the event of my death or any injury to me. I nevertheless enter into this Agreement freely and voluntarily agree that it is a binding upon me, my heirs, assigns, and legal representatives.

I agree that the terms of this Agreement shall be binding and shall be governed by the laws of the State of New York and that the terms of this document shall be admissible in evidence as a binding legal document between me and the persons and entities listed above in this Agreement.
