

Summer Camp

SUMMER CAMP – PROGRAM FEATURES

SUMMER CAMP WEBSITE FOR WEEKLY INFORMATION AND UPDATES: Last year we launched our very own Summer Camp Website. The site, www.hprecsummercamp.com, was created specifically for Summer Camp Parents as a tool for them to go for all of their Summer Camp needs. It offers so many great features to Summer Camp Parents and Guardians including, but not limited to;

- A user friendly cover page with general information;
- Easily found page links to all varying camp sites by age group or time of day;
- A page for each camp site equipped with weekly newsletters, pictures of the children in the camp, videos, animated camp site calendars, google map directions, staff photos and bios and links to register for additional sessions or go to any of our social media sites;
- A photo gallery;
- Information and links for CampDoc.com medical record management software, field trips, ice cream and swimming;
- A “Contact Us” page.

FIELD TRIPS–COST INCLUDED IN FEES: One field trip per week is scheduled and is offered for each age group and is built into the cost of camp. By signing up for camp you are signing your child up for the offered field trips. If you wish for your child to stay back at camp, he/she may stay with one of the other groups, but you will not receive a discount for missing a trip. There is no option to stay back at the playground home-base site for the trip to Parma Town Park; all kids attend or stay home. A detailed Field Trip Schedule is provided, but please be aware that field trips are subject to change.

SWIMMING: Swimming will be available for each age group weekly. It is included in the cost of camp. All kids will be tested by a Water Safety Instructor on their first trip to the pool.

ICE CREAM: Abbott’s, LuGia’s and Kona Ice will visit for cold treats weekly. This option is an additional \$3.

REGISTRATION: Registration for Parma residents and for those in the Hilton School District opens on Monday, April 25. It opens for all others on Monday, May 9. You **MUST** pre-register for any and all sessions of the program. To register, go online at www.parmany.org/Recreation or drop-off/mail-in to the Recreation Office.

REQUIRED INFORMATION AND CAMPDOC: Upon registration you will receive an email from CampDoc requesting information in regards to the participating children’s contact and medical information. Those who have previously enrolled in a program that requires such information will already have an account and be required to update, add and/or confirm accuracy of information before the participant’s first day of attendance. Those who are completely new to our programs requiring such information, will be required to create a completed profile upon invitation from CampDoc. **ALL** participants, returning or new, are required to re-upload the most updated vaccination records for each participant.

REFUNDS: Please see our Refund Policy on pages 3 or 36.
