NATURE EXPLORERS CAMP

Let's discover nature with Hilton-Parma Recreation this summer during our two week long nature camp. We will be enjoying the great outdoors through a number of exciting activities including nature trail exploration, guided discovery walks, nature themed activities, and very exciting trips to new and exotic places. We will have a number of nature related crafts and indoor activities in case of inclement weather. Participants will receive a t-shirt and daily snack, but must bring a bag lunch daily unless otherwise noted. Participants have the option to register for the full two week session or one of two weeks individually. Space is limited so don't hesitate to register! Sometime after registering, you will be contacted for additional information including the required participant and medical information that we need in order for your child to participate. Highlighted trips and activities for each day are listed below. Please be aware that field trips are subject to change.
